NÁŠ PRÍBEH

Každý má svoj príbeh. My nie sme iní. Náš príbeh zahŕňa farebné stádo kráv v životnej veľkosti, ktoré namaľovali talentovaní umelci z celého sveta. Od roku 1999 sa tohto originálneho umenia zúčastnilo viac ako 10 000 umelcov, na viac ako 100 podujatí organizovaných vo viac ako 90 mestách. CowParade sa stala najväčším fenoménom verejného umenia na svete.

CowParade má za cieľ inšpirovať a oslovit' čo najviac ľudí. Oživuje ducha spoločenstva, spája obyvateľov hostiteľského mesta s umelcami, podporuje miestne podniky a organizácie. Mnohých návštevníkov prilákalo toto umenie vystavené v hostiteľskom meste.

Naším umeleckým cieľom je inšpirovať zvedavosť, myslenie a diskusiu medzi návštevníkmi a zároveň predviesť miestne umelecké talenty. Aby sme to dosiahli, začneme tým, že vyzveme miestnych umelcov, aby prihlásili svoje originálne návrhy. Organizátor akcie a sponzori vyberú umelcov, ktorí prenesú svoje návrhy na kravy v životnej veľkosti a vzniknú tak majstrovské diela.

Srdce CowParade spočíva v rozmanitom množstve replík modelov kravičiek, ktoré nájdete v našom katalógu. Naozaj sú to umelecké diela, dokonalé reprodukcie inšpirované najobľúbenejšími kravičkami v životnej veľkosti prevzaté z našich 100+ akcií organizovaných po celom svete.

Tieto kópie kráv v životnej veľkosti, ktoré sa vystavovali v rôznych mestách, sú k dispozícii pre širokú verejnosť. Sú vyrobené z polyresinu alebo keramiky a väčšina z nich bola ručne maľovaná. Sú k dispozícii v rôznych veľkostiach, od XL až po S.

Každá exkluzívna kravička je zabalená vo vlastnej krabici as kartičkou s podrobnosťami o mene umelca a CowParade udalosti, v ktorej sa objavila. Vyberáme stále nové modely z akcií CowParade a zároveň niektoré staršie modely nechávame odísť do dôchodku. Týmto spôsobom zaisťujeme relevanciu a exkluzivitu.

Vyrábame exkluzívne kravy s jedinečným dizajnom pre obchodných partnerov, ktorí ich používajú ako firemné darčeky. Pracujeme s novými a začínajúcimi umelcami, ktorí navrhujú špeciálne sošky kravičiek CowParade.

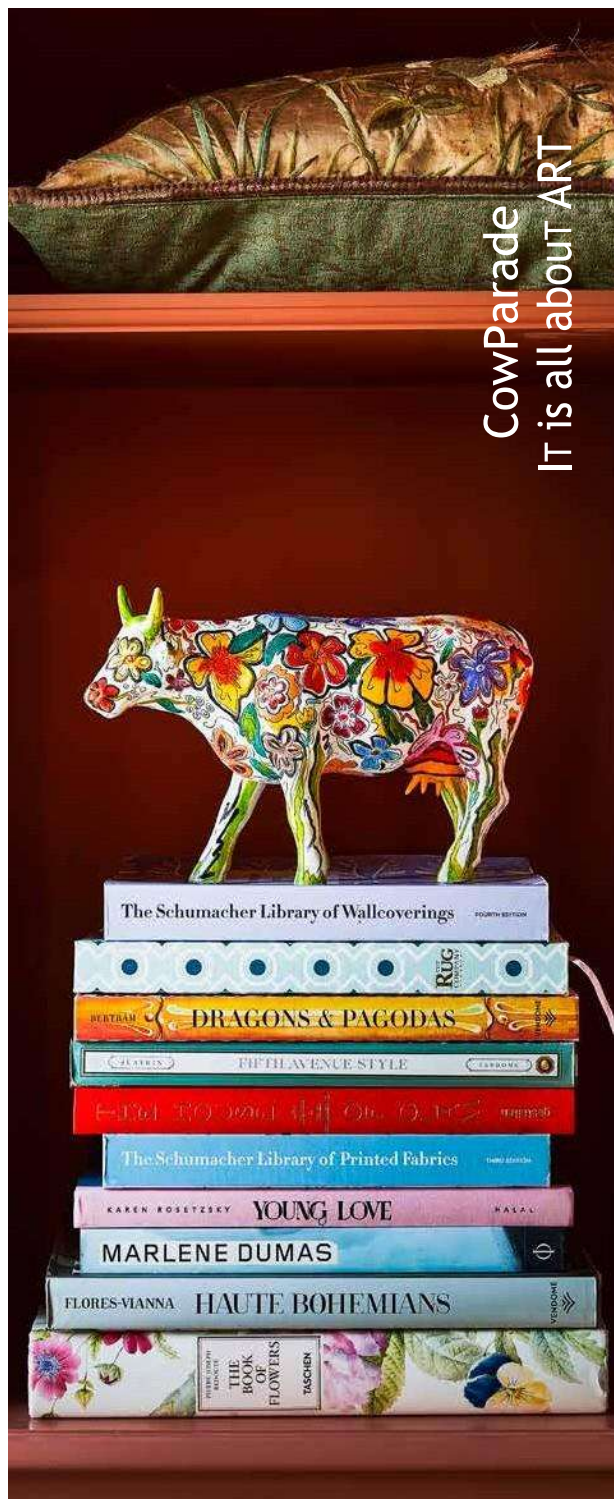

MATERIÁL

Polyresin

Ideálny materiál, ktorý umožňuje zložiť tvarovanie jemných detailov modelov CowParade. Dobré sa na neho maľuje a má podobný vzhľad ako porcelán a keramika. Tento materiál používame na naše modely kravičiek veľkosti XL, L, M a S.

Ceramic

Ušľachtilý a starobylý materiál, ktorý je trochu krehkejší, ale lepšie sa hodí pre detailne prepracované umelecké diela. Tento materiál používame pre kravičky veľkosti M.

INFORMÁCIE O PRODUKTE

Výroba CowParade je zložitý a náročný proces. Vzhľadom na to, že každá kravička je presnou replikou originálnej kravy v životnej veľkosti alebo je špeciálne navrhnutá, musíme reprodukovat každý detail čo najbližšie k dokonalosti. Po celý rok náš tím CowParade vyberá nové kravy, aby tak rozšíril našu zbierku kravičiek.

Vybrané kravičky sa pridávajú do stáda CowParade. Sú vyfotografované a odoslané do konštrukčného tímu, kde sa starostlivo vyrábajú ich hlinené 3D modely, ktoré slúžia na vytvorenie silikónovej výrobné formy pre každú kravičku.

Teraz máme viac ako 1000 foriem. Forma tvorí čisté biele kravičky CowParade (už krásne podľa nás!). Na koniec príde šmirgľový papier, oprášenie a biele modely sú hotové na maľovanie.

Všetky naše modely sa skladajú z viac ako 80% kameniny, piesku a mletých okruhlíakov, našou snahou je podporovať cirkulárne použitie materiálov. Na spojenie materiálov používame chemické prvky, ktoré umožňujú tvarovať túto hmotu. V súčasnej dobe pre naše základné materiály nie je k dispozícii žiadna iná alternatíva, ale sledujeme vývoj, aby sme posúdili, či a ako môžeme znížiť vplyv na našu planétu.

Väčšinu našich kravičiek starostlivo maľujeme ručne. Sme hrdí na naše reprodukovanie modelu, ktoré robíme s láskou a snahou o dosiahnutie presnej podoby pôvodného modelu.

Niekedy máme príliš zložitý dizajn aj pre našich maliarov, v tom prípade použijeme obľádku špeciálne vyrobené nálepky pre tento náročný dizajn kravičky.

Potom, čo sú kravičky namaľované, potrebujú niekoľko dní na zaschnutie a potom ich vložíme do nízko teplotnej pece na záverečné sušenie. To je dôvod, prečo niekedy uvidíte veľmi malú dierku na našich modeloch kravičiek. Touto dierkou musíme nechať vyjsť von ohriaty vzduch, ktorý sa nachádza vo vnútri dutých kravičiek, ktoré by sa inak zlomili počas procesu sušenia.

Nakoniec sa nanesie vrstva laku na ochranu maľby, ktorá zároveň chráni pred slnečným žiarením. Samozrejme priame vystavenie slnečnému žiareniu vždy spôsobí vyblednutie maľby, ale vhodným umiestnením našich kravičiek dosiahnete mnoho rokov potešenia. Odporúčame vyhnúť sa vystaveniu priamemu slnečnému žiareniu.

Užite si svoju jedinečnú reprodukciu originálneho designu vytvoreného hrdými umelcami z celého sveta.
